

Digital Marketing Guide

A concise practical guide for planning a small digital campaign

The funnel

- Awareness: useful content and discoverability.
- Consideration: proof, examples, FAQs and comparisons.
- Conversion: clear offer, price, CTA and friction-free checkout.
- Retention: support, follow-up and useful post-purchase content.

Weekly workflow

- Monday: research audience questions.
- Tuesday: create educational content.
- Wednesday: publish proof or demonstration.
- Thursday: promote a product/use case.
- Friday: review traffic, clicks and conversions.

Metrics

- Reach and impressions
- Profile/site visits
- Product-page views
- Add-to-cart or checkout starts
- Paid conversions
- Refund/support rate
