

Branding Starter Kit

Brand direction worksheet and visual consistency checklist

Brand foundation

- Audience: Who is this for?
- Problem: What problem do we solve?
- Promise: What outcome do we help create?
- Personality: Choose 3–5 adjectives that describe the brand.

Visual system

- Primary logo
- Secondary logo
- Typography hierarchy
- Primary and secondary colours
- Button and card styles
- Image/illustration direction

Consistency check

- Use the same tone across product pages.
- Keep button labels action-oriented.
- Use one clear visual hierarchy throughout the store.
