

Email Swipe & Copy Kit

Reusable email structures for marketing and customer communication

Launch email

- Subject: A clear benefit + curiosity.
- Opening: identify the problem.
- Body: explain the useful outcome.
- CTA: one primary action.
- Close: remove unnecessary friction.

Follow-up email

- Remind the reader of the problem.
- Add a useful proof point.
- Answer one objection.
- Repeat the primary CTA.

Subject line prompts

- A simpler way to [OUTCOME]
- Before you [ACTION], read this
- The [RESOURCE] you asked for
- 3 ways to improve [RESULT]
